Informal Interviews

10 Questions

to

Women Leaders in Telemedicine

The Women and eHealth International Working Group is organizing a global survey on “Women Leaders in Telemedicine” to collect their opinions and ideas on the use of ICTs for health and establish the future Millennia2015 Action Plan for women’s empowerment in Telemedicine at the UNESCO.

This document provides **a list of 10 questions to conduct informal interviews or conversations with women currently working in the area of Telemedicine.** **Photos and videos of the interviews** are welcomed to lively illustrate women working in Telemedicine.

Questionnaire

1. What was your first contact or experience with Telemedicine?
2. Where did you receive your Telemedicine training? Formal or informal?
3. What is your basic education? Medical doctor vs. other professional? Highest degree achieved?
4. What was the main reason you choose to include eHealth and Telemedicine into your practice?
5. If an MD, are your services rendered via Telemedicine reimbursed as others?
6. What do your patients think of the use of Telemedicine in your practice? Do they appreciate?
7. Have you been involved in policy-making in regards to eHealth and Telemedicine?
8. Have you participated in eHealth and telemedicine-related research?

9. Have you joined any organizations dealing with eHealth and Telemedicine?

10. Do you use eHealth and Telemedicine services when taking care of your own health or the health of your family?

10. Please, finish the sentence: "I am passionate about eHealth/Telemedicine because ..."
